MSC Cruises

In conjunction with the prestigious shipping company 'MSC', Hapimag is offering first-class cruises at attractive prices and for points – also for families with children up to the age of 18.

Children and teenagers

All MSC cruise ships have qualified staff on board who will look after youngsters and teenage guests. A babysitting service is available, if required (extra charge). For accommodation of two adults in a cabin, up to two children only pay the port taxes. Prices available upon request.

Shore excursions

The shipping company will arrange these excursions. These can be booked and paid for on board. You will receive a description of the excursions available at each port-of-call with your travel documents.

Languages

We want you to enjoy your cruise to the full and without any language problems. There are four languages used on board MSC cruises: German, English, French and Italian.

Service charge

Please plan on approx. EUR 7.– per person per day (half for children). This amount will be automatically added to your on-board account. The charge cannot be altered. No other tips are required.

Passengers who want to go ashore themselves need a visa which can be applied for from your nearest Russian Embassy.

Prices

Please ask about the current daily price for the desired cruise.

Flexible points assessment

We are able to accept a maximum of 15% of the prices given in the form of high-season points. We will be happy to inform you of the current HS points exchange value by telephone.
